Driver dispatch.

WHY GOMEDICS?

Trained healthcare
staff.

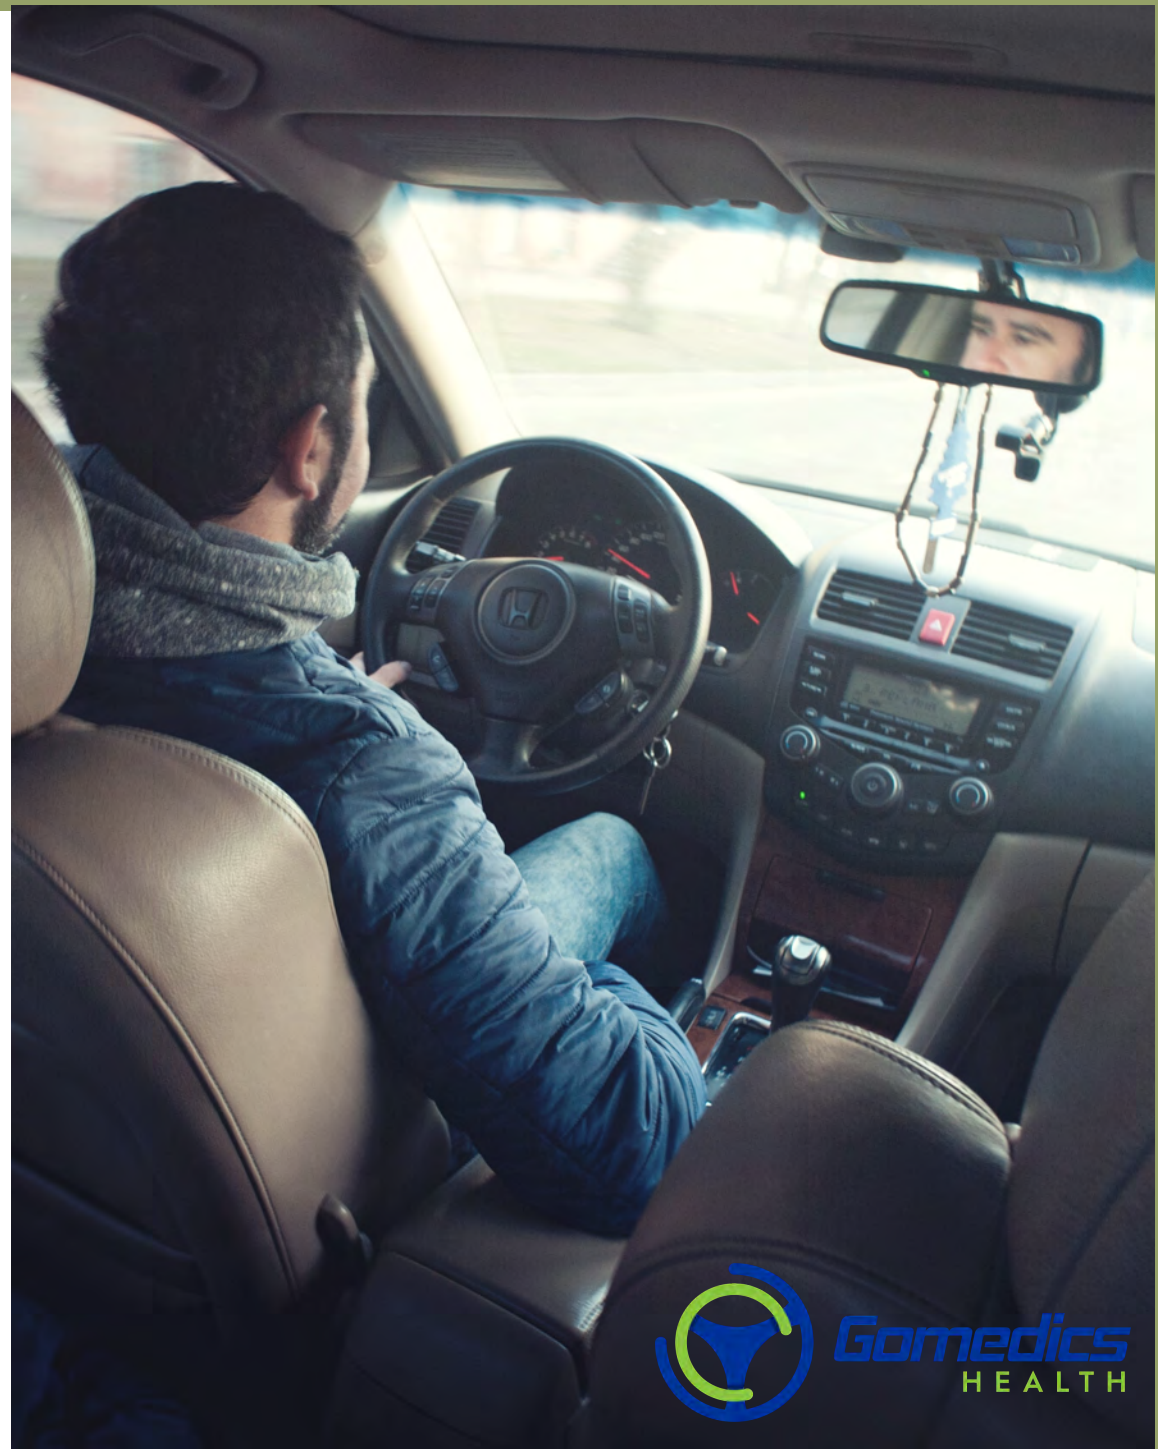

Client and appointment
preparation.

Physician's report.

Risk Management

BENEFITS AND VALUE

We are more than your driver--
we are health care professionals!

Clinicians and caregivers, need not accompany
clients to their appointments, we do!

We act as medical chaperones, go with care.
Go with Gomedics.

FAQ

Q. AODA Compliant?

Yes we are! We also accommodate special requests upon booking.

Q. How do we maintain safety?

Staff training, client intake and screening; including driving abstract, CPIC, vulnerable sector and client satisfaction surveys.

Q. Who are our Partners?

We work with hospitals, health care agencies, and organizations; government and the private sector.

“How a patient gets to their next medical appointment is the first step in their recovery.”
